

Chaos

1966

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has become a major employer in the UK, and its growth has been a major factor in the overall growth of the economy.

The public sector has also become a major employer of women. In 1980, women made up 40% of the public sector workforce, and by 1995, this figure had risen to 50%. This increase in the number of women in the public sector has been a major factor in the overall increase in the number of women in the workforce.

The public sector has also become a major employer of people with disabilities. In 1980, people with disabilities made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people with disabilities in the public sector has been a major factor in the overall increase in the number of people with disabilities in the workforce.

The public sector has also become a major employer of people from ethnic minorities. In 1980, people from ethnic minorities made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people from ethnic minorities in the public sector has been a major factor in the overall increase in the number of people from ethnic minorities in the workforce.

The public sector has also become a major employer of people who are over 50 years of age. In 1980, people over 50 years of age made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people over 50 years of age in the public sector has been a major factor in the overall increase in the number of people over 50 years of age in the workforce.

The public sector has also become a major employer of people who are under 25 years of age. In 1980, people under 25 years of age made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people under 25 years of age in the public sector has been a major factor in the overall increase in the number of people under 25 years of age in the workforce.

The public sector has also become a major employer of people who are over 65 years of age. In 1980, people over 65 years of age made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people over 65 years of age in the public sector has been a major factor in the overall increase in the number of people over 65 years of age in the workforce.

The public sector has also become a major employer of people who are under 18 years of age. In 1980, people under 18 years of age made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people under 18 years of age in the public sector has been a major factor in the overall increase in the number of people under 18 years of age in the workforce.

The public sector has also become a major employer of people who are over 75 years of age. In 1980, people over 75 years of age made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people over 75 years of age in the public sector has been a major factor in the overall increase in the number of people over 75 years of age in the workforce.

The public sector has also become a major employer of people who are under 15 years of age. In 1980, people under 15 years of age made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people under 15 years of age in the public sector has been a major factor in the overall increase in the number of people under 15 years of age in the workforce.

The public sector has also become a major employer of people who are over 85 years of age. In 1980, people over 85 years of age made up 1% of the public sector workforce, and by 1995, this figure had risen to 3%. This increase in the number of people over 85 years of age in the public sector has been a major factor in the overall increase in the number of people over 85 years of age in the workforce.

CHAOS 1966

Volume 50
Rensselaer Central High School
Rensselaer, Indiana

Same faces . . . matured perhaps, but same
. . . once students . . . now adults with stu-
dents—Same subjects . . . modernized per-
haps, but same . . . once algebra . . . now
modern math—Same teachers . . . new
breed perhaps, but same . . . experienced
helping novice—Same interests . . . in
greater number perhaps, but same—Same
goals . . . more ambitious perhaps, but same
. . . Thus . . . the Ceaseless Cycle.

ceaseless cycle

So it is, with a healthy mixture of old tra-
dition and creative striving for a "better
way", the Ceaseless Cycle of educational
progress is formed, day by day, year by
year, in what must seem to be chaotic con-
fusion.

Chaos . . . 1966

THE BUILDING . . . place for education
. . . familiar surroundings . . . nostalgic
monument . . . setting for the Ceaseless
Cycle.

PEOPLE . . . engaging in sports . . .
 eating . . . playing in the band . . .
 working . . . talking. PEOPLE . . .
 the basis for the Ceaseless Cycle of
 Education.

HAROLD J. HAUGHEE
Superintendent of Schools

WILLIAM J. HOLT
Business Manager

MRS. RUTH HOYES--Secretary to the Superintendant. MRS. HARRIET EVERS--Financial Clerk to the Board.

ABOVE, JIM TOEPP--St. Joseph's College, B.S.; French. VAUGHN WATERS--Indiana State, B.S., M.S.; Social Studies, Mystical Knights. ADRA WOOD--Indiana State, B.S.; Typing, Chaos, Sunshine Society.

Whatever
a school's
resources,
its real riches
lie in its
faculty.
In this
respect,
Rensselaer
is particularly
fortunate

The Prom . . . new formals . . . the band playing . . . couples dancing . . . refreshments. But there have been other Proms, and there will be Proms in the future. Thus, they are all--the Proms, the people, the buildings--part of the Ceaseless Cycle of education.

CEASELESS-CYCLE PEOPLE
